How to Get Referrals for PTC Sites?

❖ Advertise on PTC sites with links (view ads) and banners
❖ Tell friends and family
❖ Traffic exchanges
❖ Referral exchanges
❖ Forum signatures
❖ Purchase referrals
❖ PPC (Pay Per Click) like Google Adwords etc.,
❖ Social Bookmarking or Networking and many more..

■ **Advertising on PTC sites with links and banners → Highly Targetted** - This works great for PTCs but you have to spend money and advertise **individually in each PTC site** manually for your each affiliate site. Link advertising is too much cost in some popular PTCs. Banner advertising is better. About banner codes you will learn in the following pages.

■ **Tell friends and family →** Only gets limited referrals.

■ **Traffic Exchanges, Referral Exchanges, Forum signatures →** This works great, you will get referrals guarantee, but you have to spend more and more time, at least 1 or 2 hours daily.

■ **Purchase Referrals →** This is very good, but no guarantee of active referrals and not all PTCs offers this (most sites offer only rented referrals).

■ **PPC → Google Adwords etc.,** -- This works great, but costs more and only some PTC sites are offering this (as publishers).

■ **Social Bookmarking or Networking** → Twitter, Facebook, etc.,

All the above methods work great for getting referrals and most of them need more and more time and efforts. I tried most of the above methods and got some referrals. But doing all those things manually is exhausting and very time consuming.

So, don't waste time. Get active direct referrals on Auto-Pilot (24 x 7). Because 'Time Is Money'.

PTC Referral Secrets Method – I

At that time I found Bidvertiser (also PPC) and it gave me $20 in free clicks after joining. I used $20 and got many referrals. After joining Bidvertiser, everything changed, I am getting referrals on auto-pilot and it needs only <5 minutes daily to monitor the campaign.

Most of the PTC & PTR sites are using Bidvertiser as publishers. When you advertise in Bidvertiser, your ad will be shown to **100s of targeted sites 24x7** on Auto-Pilot.

You see, there are 100s of PTCs, PTRs, Forums, Traffic Exchanges, Surveys, Blogs and lot of sites with 500K+ impressions.

Millions of members in these sites are like **You** in PTC business. **This is a goldmine!** You will get tons of referrals, instantly, daily….. So many new members are joining these sites daily. This is very helpful to sites like Neobux and other PTCs also.
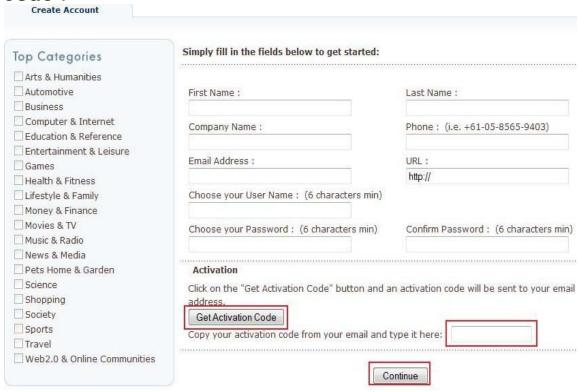

I got 1000s of referrals for my favourite PTC sites from this **Secret**. And I am going to show you how to do the same.

18. Performance Tracker: Copy → Blog → Customize → Add a gadget → HTML/Java Code → Paste → Save.

You will learn about how to make blog in the following pages...

Due to $0.05 per click, you will get 20 clicks for $1.

19. Conversions: Conversions are excellent. I got 2 to 3 referrals for Every $1 spent for 'Neobux' and extra referrals for other PTCs also.

20. CPC: But it costs more if you go with only one PTC. That's why you have to go with more PTCs together. So that your advertising cost decreases and you will get

referrals for all your favourite PTCs also. **For this you need to have a blog (or website).**

21. How to Make 'Active' Referrals: For this also you need to have a blog (or website). So, **I strongly recommend creating a blog with all your PTCs.** If you have a blog, and if it is indexed in search engines like Google and Yahoo for your 'keywords', **you will get free traffic & free referrals also**. This is an additional advantage.

PTC REFERRAL SECRETS METHOD – II:

Click below for how to make a blog:
How to Create a Blog with Blogger - Video Tutorial
Or go to www.blogger.com and click 'Watch a video tutorial'

Or search Google for 'how to make a blog with blogger?'

Example Blog → Killer Blog for 'Neobux' → After registering blogger, go to layout and put banners and payment proofs like this:

Banner 1   → Neobux Banner
Payment Proof 1   → Neobux Payment Proof 1
Payment Proof 2   → Neobux Payment Proof 2
Banner 2   → Any Other PTC Banner
Blog Posts   → Content given in the next page
Banner 3, 4, 5 (below)   → Other Bux or PTC Banners
Right side bar   → Payment Processor's Banners (AlertPay, PayPal) (**And also Bidvertiser– Important**) or PTC Proofs or PTR links and site stats like histats.com and Bidvertiser's performance tracker code.

In my experience, 'top banners' got more referrals. Just rotate the top banners after getting sufficient referrals.
Important: You Must Put your affiliate links in every banner and payment proofs.

Don't put more than 5 PTC banners in blog, because overload kills your business and you won't get more referrals.

24. Post content about Neobux in 'New Post' (Blog Posts) → Click 'Publish' → You can change and add this for any PTC or Bux site since the concept is same.

25. Add Real Payment Proofs:

If your payment proof is like this in the blog, guess how many active members will you get?

	01-Oct-2009	Payment From	NeoBux	Completed	Details	$10.17	$0.00	$10.17 USD

Let's go for big payment proofs like these and guess how many active members will you get?

	Date		Type	Name/Email	Payment status	Details	Order status/Actions	Gross	Fee	Net amount
	17-Nov-2009		Payment From	NeoBux	Completed	Details		$39.84	$0.00	$39.84 USD
	15-Nov-2009		Payment From	NeoBux	Completed	Details		$83.45	$0.00	$83.45 USD
	12-Nov-2009		Payment From	NeoBux	Completed	Details		$59.23	$0.00	$59.23 USD
	10-Nov-2009		Payment From	NeoBux	Completed	Details		$52.69	$0.00	$52.69 USD
	08-Nov-2009		Payment From	NeoBux	Completed	Details		$54.66	$0.00	$54.66 USD
	06-Nov-2009		Payment From	NeoBux	Completed	Details		$51.57	$0.00	$51.57 USD

Payment Proofs definitely increases active referrals. You came here after seeing more proofs in the index page of referral-secrets.com.

Make More Money By Disconnecting Internet?
(from blog 'KrisMainieri')

We spend a good 70% of our time online majoring in minor things – like checking our stats, email, skype, forums etc... When I had no internet, I remember driving home and thinking of everything I wish I could do if I wish. I even listed them in order of importance and created a clear action plan, can you guess what happened after I Connect Internet again?

Yes, MASSIVE ACTION!

Follow the steps below **EXACTLY** and I guarantee you'll get clear on what your priorities are and you'll make MASSIVE progress!

Here's your action plan (you might want to write this down):

#1 - Completely disconnect your internet modem/router from it's power source.

#2 - Do absolutely *NOTHING* PC related for atleast 1 hr.... trust me on this... it's important! (This includes using your phone browser).

#3 - After backing off for a minimum of 1 hr, this should give you some stuff to think about in your business... write down the 4 most absolutely critical actions you need to get done but have been putting off.

#4 – Write under each item a quick 5-step action plan for getting this thing done. Keep it simple.

#5 – When and ONLY when you're 100% clear and focused on what needs to be done, then connect your internet.

#6 – Rinse and repeat! One you learn how to distinguish play time and work time is when you'll start working in a whole different level.

Try it out and see how this work for you!
